

Camp Longhorn BULLETIN

C3 Edition

Spring 2021

www.camplonghorn.com

The 2020-2021 Carnival season looked very different than our past seasons

BUT our virtual Carnivals were a hit!

Over four weeks this winter, we debuted three carnival videos and the new Camp Movie.

While we missed seeing everyone's faces and catching up, the virtual Carnivals were so much fun for us to put together! We know all of our camp

families had fun watching and participating with us at home.

We received **TONS** of wonderful pictures and videos from campers dressing up to watch the Carnival and making their own Carnival games.

WOW!! You guys have amazing imaginations!!!

ATTAWAYTOGO!

You can still watch these videos and see all the submitted pictures and Carnival games on our website:

2. What do you call Bears with no ears?
3. What do you call a Bee that can't make up his mind?

FROM THE GIRL'S CAMP

With less than three months until we open our gates, it is starting to feel like Camp here on the shores of Inks Lake! The smells, sounds, and sights of spring and summer are all around us.... fresh cut green grass, sprinklers, boats on the lake, birds and crickets chirping, and the bluebonnets in bloom. We are working hard on some great additions to Camp including new Putt Putt holes, a sand volleyball court, and two new trampolines! The Blobs are ready for inflation and the sailboats are awaiting the breeze to fill the sails. All we need now is our wonderful campers!!

With close to 1,000 girl campers signed up for 2021, we are sure to have a full and wonderful summer! We will be camping nine total weeks this summer with the addition of our newest term, 7th TERM!!! We are so excited to see many familiar camper faces returning as well as our new campers experiencing CLH for the first time.

ATTAWAYTOCOMETOCAMP!

Thank you to our waiting list campers who are so patiently awaiting a spot in Camp. We are anticipating some movement in the spring and will continue to place campers off the waiting list up until Camp time. Thanks again for your patience and please feel free to contact me anytime to check on your daughter's waiting list status.

Finally, I would like to give a shout out to our AMAZING staff that will be joining us this summer. We have a wonderful group of young ladies lined up for Summer 2021! We will continue to recruit counselors throughout the spring and our best recruiters are our Camp families! If you know of a young lady who would be a great fit for C3, please have her apply at www.camplonghorn.com.

We look forward to seeing you all this summer!!

Stacy

FROM THE BOY'S CAMP

"NORMALCY" is the word I keep using when searching for the way things used to be. However, one thing I learned over the last year is the true definition of quality time. Speaking from a personal experience, our family's "RACE" slowed down. Stacy and I spent more "quality time" with our kids than ever before. We never realized how busy we always were...no down time.

I truly believe that is what camp has always been, "quality time". A time to unplug and escape from the worries and pressure of the day-to-day grind. A time when playing tether ball or sitting under a tree is encouraged. A time when you are engaged in conversation face to face vs behind a screen. Camp allows everyone a chance to reset and take a breath. CAMPERS get a chance to become more independent and self-assured away from home. COUNSELORS get the opportunity to retreat from the pressure of school and work outdoors in what some say is the "most rewarding" job one can have. PARENTS get a chance to focus on themselves while their campers are away having fun. Whatever category you are in, Camp is the "NORMALCY" we have been searching for. Everyone leaves camp wanting more of the simple way of life.

We are grateful for our camp families. A big thank you for showing so much grace, patience, and loyalty throughout the year. We are extremely proud to announce the launch of our brand-new 7th Term (hard to believe that we only had 4 terms and 4 boy cabins in 2016). Lastly, we cannot wait to welcome our record number of campers and counselors that will be entering our gates very soon. Here is to SUMMER 2021!!!!

Spring is in the air and I cannot believe we can already say Camp is around the corner!!! I hope you enjoyed our Virtual Carnivals and were able to complete the games on the Carnival “cards” and answer the merit questions on the cards from watching the videos. Remember to bring your completed Carnival card to Camp and turn it in to your Counselor this summer. Your counselor will grade it and record it—along with all your other merits you’ve accumulated over the school year—on your cabin sheet.

We hosted a Merit Guessing Contest in our Fall Bulletin, where I asked all C3 Campers to guess how many merits were in the bottle. This was the picture:

Surprisingly, we only had 55 entries. A big thank you to those who participated!!!

The exact number of merits in the jar was **893!**

CONGRATULATIONS TO OUR WINNERS:

1ST PRIZE (20 MERITS!) – MOLLY WALKER, 3RD GRADE, 2ND TERM. SHE GUESSED **816.**

2ND PRIZE (10 MERITS!) – KAYLA HOVERSON, 7TH GRADE, 4TH TERM. SHE GUESSED **1020.**

Participation in our monthly merit questions has been phenomenal!!! Don't forget, there are only April & May questions left. No merit questions June – August.

CLASP CORNER

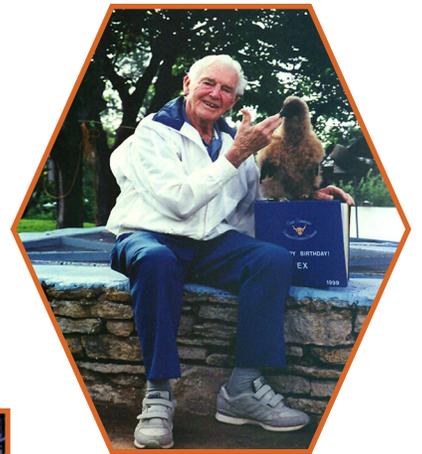

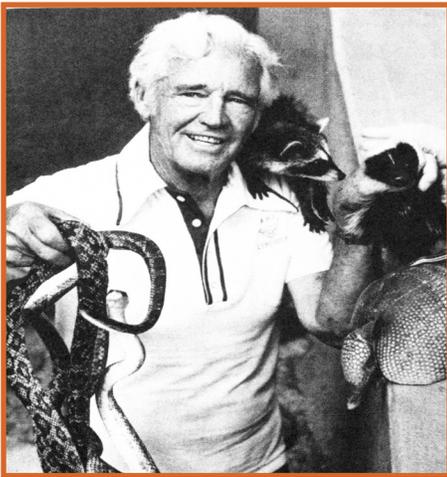

A NOTE FROM C.L.A.S.P. . . .

HELLO FRIENDS,

We have all been in a “lockdown” or “semi lockdown” for a year, just wondering what the next list of “rules” will be! With the wonderful vaccines, we hope all are taking advantage of them. It has been semi quiet the last few months and we ARE READY to turn the page with some super fun-in-the-sun. Last summer was a success with our directors following the CDC recommendations and yet having some CLH top priority FUN!

We thought it would be interesting for you’all to see some of TEX’s Critters he always loved and loved to show them off with much knowledge about the animals. We know you saw him out and about a few years back with one or more in hand!
