Staff Updates

Carnivals were fantastic!!!!

Carnivals were a success, and we are so thankful for those of you that attended. We appreciated all your help with running the games for the campers. Remember to bring your carnival card to CLH this summer so you can receive your money for all your help!!!

Attention! There may be a place among the Hills and Dales!

Due to cancellations, we may need some counselors (18 or older). All terms may be available. The Girls Camp greatest need is 4th term. Boys Camp is in need all 4 terms. Pit Stop needs nursing assistants and nurses. Angela is looking for photographers and Mona is looking for office help.

If you are interested in working an additional term, please email the Director. If you know of someone interested, have them fill out an application on our website. You are our best recruiter, and we appreciate all your help with recruiting for us.

Lifeguards wanted!!!

We hope some of you can find the time to get certified. Camp is always thinking of safety and the more we have certified, the more camp will be prepared for this summer. Please send us a copy of your certification before you arrive so we can add your one-time summer bonus (\$300) to your pay.

Looking forward to a tubing and marshmallow christening very soon.

INKS Girls Camp 2022

We are busy getting ready for our 83rd Summer of Longhorn Fun! Spring has sprung and the Texas Bluebonnets are in bloom. It reminds us of 1950, when the first girls attended CLH and the camp was named Camp Bluebonnet. Although the name stuck for only

a couple of years, our age divisions are still named appropriately Little, Middle, Big and

Senior Bonnets!

We are so happy to have a new addition in the Girls Camp as Will and Coco are proud parents to June Frances Robertson. With a name like June she will be ready for first term and very eager to meet all her new friends.

We were so happy to have a full carnival season once again! It was a true pleasure getting back on the road for over 50 fun carnivals to build the enthusiasm toward this summer. The merit store is busy stocking up on lots of new fun items so be sure and pack your carnival card to cash in when you get to camp.

Although we have had 99% of our Early Bird Campers sign up to return, we always have some cancellations and places will open for those on the waiting list in various age groups and terms. Please let anyone interested in having the valuable Longhorn experience contact us for an application. It's never too late to sign up for this summer. As always, our current campers, their families and our alumni are our best recruiters.

Summer is almost here!

ATTAWAYTOGO AND WE WILL SEE YOU SOON!

CLASP NEWS

Way Back When (in the 1950's and 1960's), L.T. Barnett, Barney's uncle, managed the Chow Hall at Inks Lake.

At that time, there were 3 four-week summer terms. On V-Day, when the parents would come and pick up their campers, Camp provided boxed fried chicken lunches for each family, 700-800 boxed meals in all, cooked by Youngblood's in Austin.

After a few years, Tex approached L.T. about cooking the meals here at camp. So L.T. and his Chow Hall staff, along with counselors and campers, all pitched in to help.

The Chow Hall began frying chicken at midnight. Campers and counselors were in charge of folding the boxes and filling them with the chicken and side dishes. Once the boxes were filled, they were sent out to the camps to be delivered to happy, hungry families. This procedure only lasted a few years because Camp was growing so quickly. Eventually, there were just too many campers and family members to cook for on V-Day.
