INKS Girls Camp 2023

With the weather warming up, the CLH team is hard at work preparing for our 84th Summer of Longhorn fun in the sun! Spring has sprung and the Texas Bluebonnets are really showing off in the Texas Hill County.

We recently wrapped up the carnival season this past month with record turnouts, and we enjoyed seeing everyone in their hometowns earn tons of merits and watch the inspiring new [CLH movie](#)! Please share the link with alumni, family, and friends!

In the Girls Camp, Hip Hip Jorge and the team are busy building a new floating Coot cabin and updating many of our fun activities! Primo has done a TREE-mendous job keeping the live oaks looking beautiful, happy, and healthy. The camp trees were very grateful during our recent February ice storm and came out unscathed! Attaway, Primo-tree-vo!

Bill & Carol, Will & CoCo are so excited and honored to have many of our counselors coming back, and we can't wait to see all the campers return to their home away from home among the hills and dales. Although 99% of our Early Bird Campers have signed back up, we always get some cancellations and places will open for those on

the waiting list in various age groups and terms. Please let anyone interested in having the valuable Longhorn experience contact us for an application. It's never too late to sign up for this summer or next! As always, our current campers, their families, and our alumni are our best recruiters. Thank you for your continued support, and we can't wait for this memorable summer of friendship and fun!!

STAFF UPDATES

Carnivals were funtastic!!!!

We are so thankful for those of you that attended, and we appreciated all your help with running the games for the campers. Remember to bring your carnival card to CLH this summer so you can receive your money for all your help!

Attention! There may be a place among the hills and dales!

Due to cancellations, we may need counselors. All terms are available for both girl's and boy's camp. Angela is looking for photographers and Mona is looking for office help.

If you are interested in working an additional term, please email the Director. If you know of someone interested, have them fill out an application on our website. You are our best recruiter, and we appreciate all your help sending us great prospects. Remember there is a bounty reward for each new recruit we hire added to your summer pay (**Counselor, photographer and Pit Stop = \$100 for a 2- or 3-week term and \$50 for a 1-week term**).

Lifeguards wanted!!!

We hope some of you can find the time to get certified. Camp is always thinking of safety and the more we have certified, the more camp will be prepared for this summer. Please send us a copy of your certification Red Cross or the equivalent before you arrive so we can add your one-time summer bonus (\$300) to your pay.

Other certification bonuses:

EMT=\$200, Ropes/Climb ACCT Cert. Level 1 or higher=\$200, TPWD Boat Safety=\$40 and Scuba=\$25

Rambling Rangers 2023

The Longhorn Rangers are back on the road to the Rocky Mountains! Rangers will get to enjoy whitewater rafting, hiking, fishing, leadership training, comradery around a campfire and so much more. A special thanks goes out to all our Ranger counselors and Ranger staff who helped to guide these young men to becoming counselors and leaders! We hope all Rangers will come away with wonderful memories of the trip as well as knowledge that will help them down the road of life. We also hope that everyone that earns their Early Bird comes back as a counselor. We'd love for them to put their newly learned leadership skills to use so we can continue to make Camp Longhorn a home away from home.

Looking forward to another summer full of adventures! Please contact Patrick Robertson if you have any questions!

Patrick Robertson

CLASP NEWS

by: Kim Cozby

I'd like to take a moment to thank Helen Frady for being such a wonderful CLASP mentor and lifelong friend. It's been my greatest pleasure to be able to work side by side with her these past months.

Helen began her camp career in 1955 as a counselor and in 1967 was named head counselor of the girl's camp.

After CLH's 50th anniversary in 1989, she and Tex worked together to create the CAMP LONGHORN ALUMNI & SPECIAL PARENTS organization that we have today. Tex couldn't have selected a more perfect person for the job! Her outgoing and social nature has made her FAMOUS! So many alums ask about her and have such wonderful stories to share about her.

Helen is still involved with CLASP and does most of her correspondence from her new home in Austin near her daughter, Pam. Helen is currently recovering from a broken arm and loves reading your emails, letters and cards.

If you would like to send her a card or letter, please mail them to CLASP, 1 Longhorn Rd, Burnet, TX 78611. You can also email her at helen@camplonghorn.com if you'd prefer. I know she'd love to hear from you.
