GIRLS CAMP

Inks Girls Camp News

We certainly hope every camper and counselor had a great experience, and as much fun as we did this past summer! Bill, Carol, Will, and Coco are so grateful and proud of the unforgettable memories shared, and the friendships formed. We are so excited to celebrate 85 amazing years of CLH this upcoming summer!!

We are staying busy among the hills and dales this Fall with new improvements to the Girls Camp!! Hip-Hip Jorge and the crew are working hard to bring us a renovated Craft Shop!! Some of you may remember it as the old Robin cabin from years past.

You should be receiving your yearbook any day now. Some of you in Austin might even be lucky enough to be greeted by a director for a home visit this Fall!! We are also looking forward to seeing you at one of our winter carnivals in over 40 cities around the country!

We tip our caps and give a big Attawaytogo to our amazing staff of counselors at Camp Longhorn. Tex always said that "Camp is only as successful as its counselors" and we are so blessed to have the world's best. Thank you to all of our counselors who have already signed up for 2024 and helped recruit for next year's season.

Attention Inks Girl's Wait-list campers:

We have begun placing new campers for 2024 and filling available spots from the waitlisted applications with completed interviews. For those future campers who have not been interviewed, we will have lots of opportunities during the upcoming carnival season. Through our three locations (Inks Lake, Indian Springs, and C3), we are working together to find a spot for many of our waiting list campers. You may have already added multiple term options or branches to your preferences, but if not, please let me know and I can add you to any waiting list. If you have any questions about the waitlist, you may call 512-793-2811 or email will@camplonghorn.com

CAMP LONGHORN BOY'S CAMP BULL-ETIN

Hello from CLH Boys Camp!

What an amazing summer we had!

It was SO MUCH Fun!

BOYS CAMP

The FIRST WHITE BLOB!

The CLH Inks Lake Annuals are in production and will be shipped out soon. Be on the lookout for yours around the first part to middle of November. We are planning on delivering annuals in some part of the Austin Area, so keep your room clean and display all of your Camp Longhorn propaganda up in your room as we pay merits for CLH Advertising, so you don't want to miss out.

Early Bird enrolment is over and Once again, we have a record number of campers signed up and on the waiting list for next summer. We have started placing new campers but have a lot more to go. **CARNIVALS!** We are eager to hit the road to spread our Attawaytogo spirit and see everyone at a Carnival near you. We are busy refurbishing old CLH Games and building new ones so you and your friends can play at the Carnival! Our games are teaching you to be a counselor, so we pay you the merits to play!

Here is the Printable Carnival Dates/Times and Locations! We Hope to SEE you there!

Also, don't forget to challenge yourself with our monthly MERIT QUESTIONS to help your financial "merit-til" situation and stay tuned for stories and pictures on our Instagram and Facebook page!

Attention Inks Boy's Wait-list campers:

We have only started placing new campers that have interviewed where we have spots. The wait list in some terms and age groups might be long. For those campers that have not been interviewed, we will have lots of opportunities during the upcoming carnival season. Future campers should be open to signing up for other terms or CLH Indian Springs or CLH C3 on Inks Lake, as this would increase chances of placement. If you have any questions about the wait list, you may call 512-793-2811 or email me at:

From Barney Baker

When CLH first began, Tex furnished the Chow Hall with US Army surplus equipment. A lot of that equipment is still in use today.

One piece is a Hobart mixer. It is 30" tall and weighs about 100 lbs. The mixer bowl holds about 4 gallons. We have several attachments for mixing mashed potatoes, pancake batter, whipped topping, and a few other items.

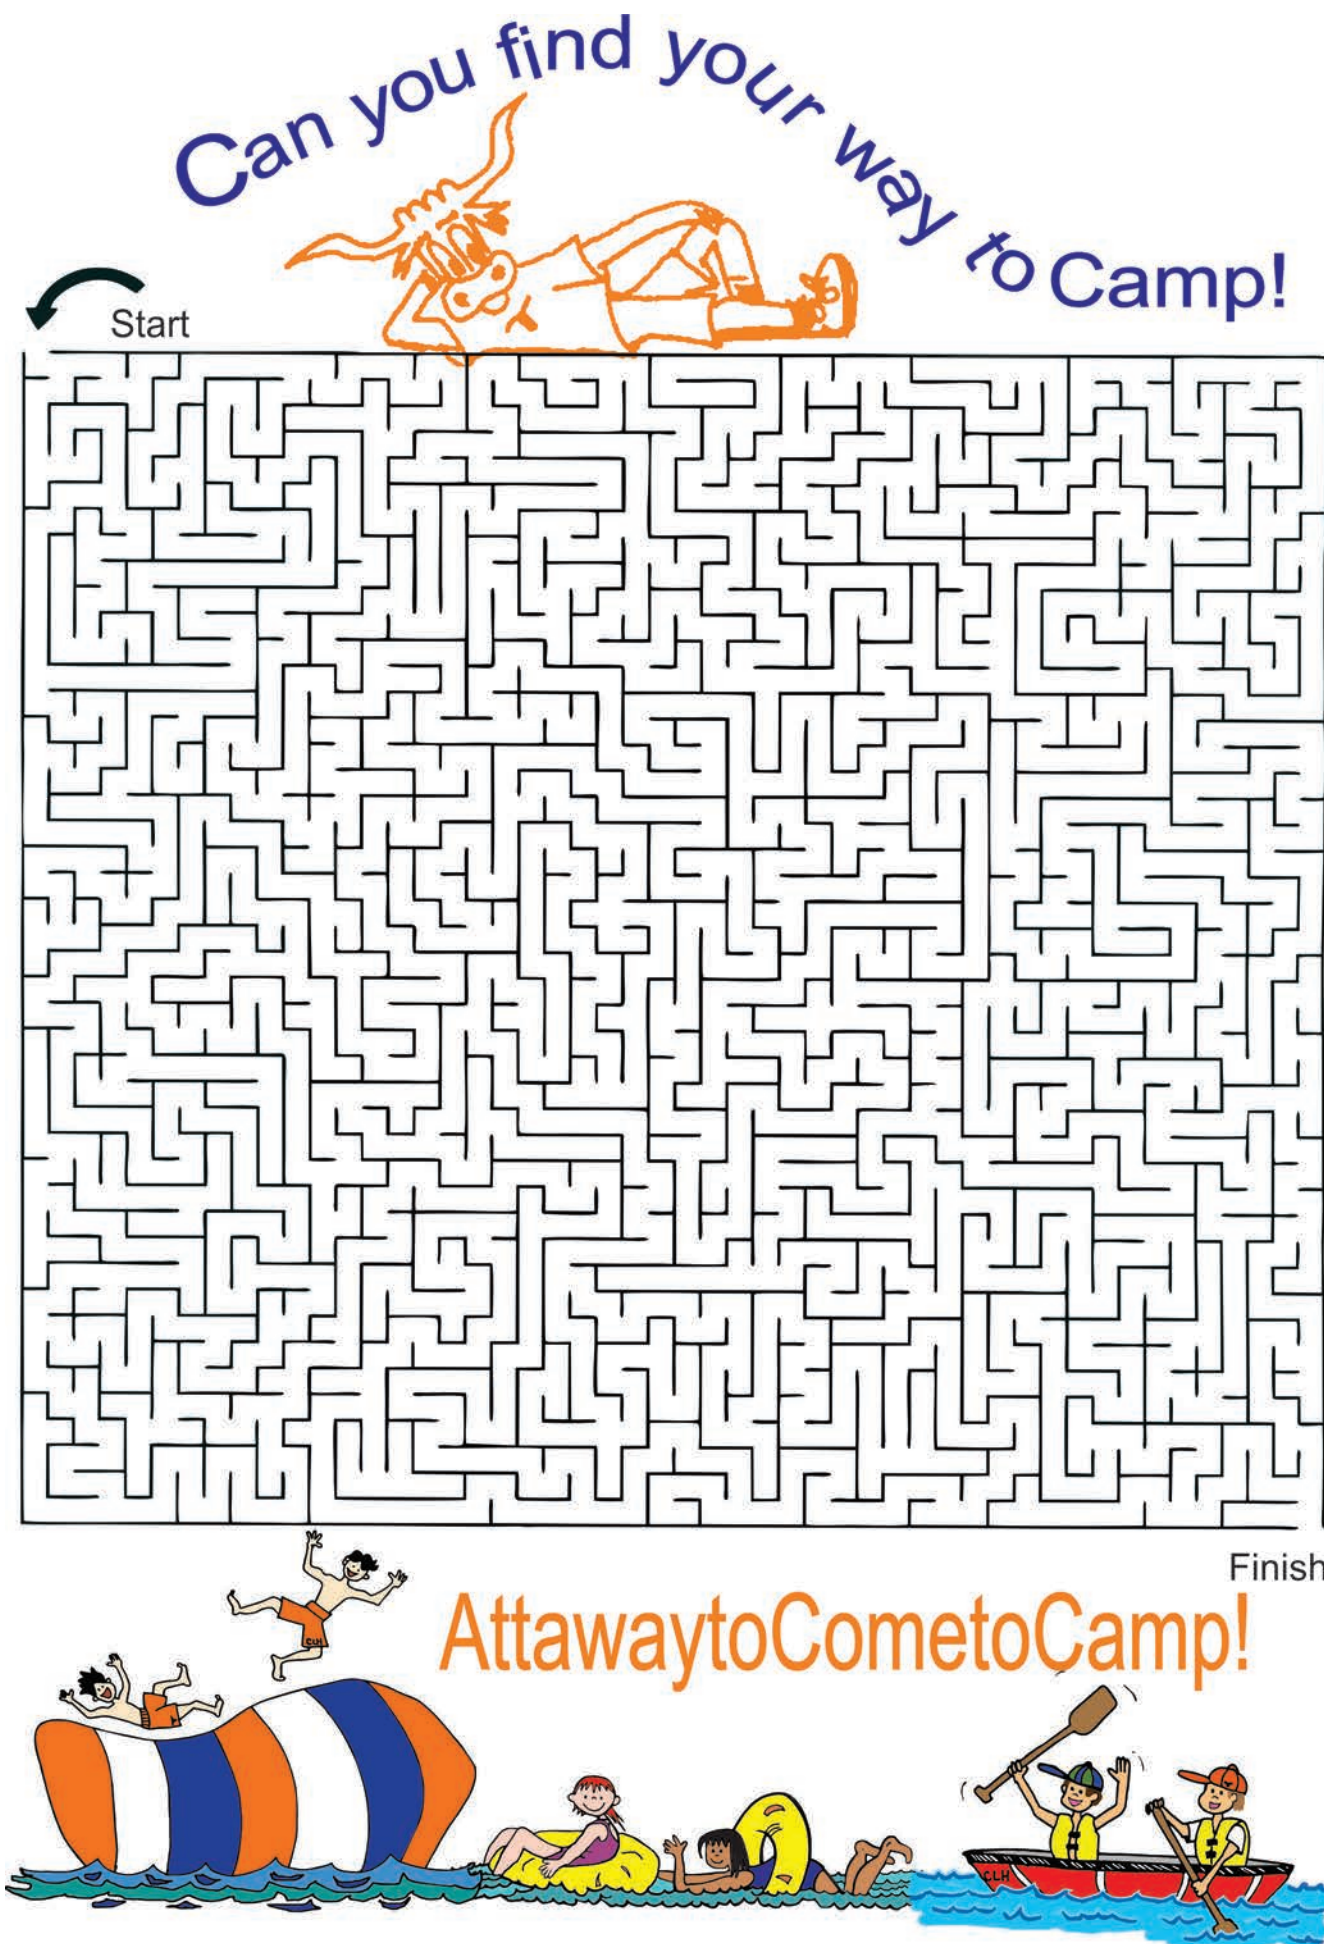

We make about 25 gallons of mashed potatoes per week! That's 250 gallons per summer! The power control is easy to operate with a simple "ON" & "OFF" switch. The speed controls are also simple with a 3-inch lever that is used to select "1", "2" or "3".

No electronics or computers needed to run this machine!

A few years ago, I had it worked on for the first time in 15 years. All it needed was a little grease and some new seals. The mechanic said it was in GREAT condition.

Out of curiosity, I checked the serial number with Hobart records and discovered that it was made in 1919. It's 104 years old, and still going!

CLASP Corner

As most of you know, we lost our beloved Helen Frady in May. She was such an integral part of the Camp Longhorn Family for over 50 years. CLH hosted hundreds of friends and family on Sunday, August 13, at the Inks Lake campfire in Boys' camp. Family and friends honored her with stories, songs were sung in her honor, we shared a wonderful meal at the Chow Hall with her favorites, chicken fried steak and apple crisp, and ended the day with a mini-Mini-Camp that Helen so loved to be a part of. CARNIVAL time was one of Helen's favorite events of the year! The CLH Carnivals are just around the corner and the CLASP table could use your help!
