This summer is a very exciting one
as all 3 camps are celebrating a
mile-stone!

Inks Lake is turning 85

over 50 campers and counselors
receiving their 9 year rings! What
a blessing it is to have all these

It's **"GO TIME"**!

Time to embrace the Spirit of Camp
Longhorn!

As we say farewell to Spring Break and hello to the Hill Country bluebonnets, you can't help but feel the anticipation of summer.

With the grass turning green and the days getting longer, the countdown to summer grows shorter, creating a sense excitement that 1st TERM is just around the corner.

"Are you ready for summer?" It's a question we're often asked, and without fail, our answer is always **"YES!"** Despite our eagerness, there's still much to get done before the gates open and the busses roll in. However, that is the rhythm of our lives – as one summer ends, we find ourselves planning the next summer the following day.

Every summer brings a unique energy and a chance to make a difference. This year, we will introduce our new theme, **"DIFFERENCE MAKER."** It's a very simple concept that we will challenge not only our counselors but also our campers to live by.

Being a **"DIFFERENCE MAKER"** means more than just going through the motions; it's about actively seeking out opportunities to leave every situation better than you found it. A **"DIFFERENCE MAKER"** knows no bounds. Consider the ripple effect of a single act of kindness, an attawaytogo, or being there for someone. The smallest of actions have the power to transform lives. This is the greatest aspect of camp, having a community of individuals who try to be their best version of themselves and who can handle hard better.

So, my question to you, are you ready for the summer? Let's make a difference and let's make it count. See everyone in a few short months.

ATTAWAYTOGO, David

from the girl's camp...

Hello Spring! Springtime at Camp means summer is near! Bluebonnets are blooming and building projects are wrapping up. The anticipation of campers and counselors filling the grounds of Camp starts to feel real! Soon, the sights and sounds of Camp will embody this place and it will come alive. The sounds of buses rolling in, counselors singing and chanting in excitement as each camper is introduced, the smell of Beth's Chow as we eagerly anticipate Chow time, the excitement and screams of campers jumping on the Blob, the camp songs, waking up each morning to "Good morning Camp Longhorn..."; the constant encouragement of hearing **"ATTAWAYTOGO"**, the simple and soothing sound of the clicking sprinklers, the crackling of the campfire as we gaze at the starry sky...the laughter and happiness that surrounds us during Camp is indescribable. A place where kids can be kids, play and socialize without the complications of phones and electronics, and where it is ok to just be themselves. THIS is Camp and why so many children flock here each summer. Everybody is Somebody at Camp Longhorn...it is the slogan but holds so true.

We are eagerly awaiting this summer...Camp Longhorn's 85th year and C3's 9th summer. We have grown to over 2,300 campers at C3 alone! We have over 160 girl counselors signed up, each ready to make a lasting impact on campers. We are very proud of our staff and only choose the very best to care for our campers. Many of our counselors were campers once and it is so rewarding watching them grow into a counselor role! The most amazing part is the opportunity they have to give back what they received as a camper themselves. To be a role model and mentor to young girls is such a gift and one our counselors take very seriously. In conclusion, nothing says "Welcome to Camp" better than our signs that line the entrance road and are scattered throughout Camp. "From Camp Minds Come Camp Signs!" We cannot wait to say "Welcome Home" to all our C3 campers coming through our gates this summer!!

ATTAWAYTOGO! Stacy

NEWS from the PRESIDENT of the World's Greatest (and Only) MERIT STORE

There's some big news in the Merit Store! This summer Mary Merit will be passing the torch to the new Merit Store Director ... meet Taylor Bull Markwardt! Taylor was one of C3's very first counselors. She has worked as a camp photographer, and some of you will recognize her from the counselor training sessions that she has led. Her history with Camp Longhorn goes way back to when she was a camper at Indian Springs in 2001. She then became a counselor and got her start in the Merit Store there as a VP (Vice President). This will be her 20th year at CLH. Give her a big **ATTAWAYTOGO!**

We have been busy this winter tracking down great items for the store. We can't wait for you to see all of the fun toys, pranks, stuffed animals, clothing, and great goods we're stocking in the store. Don't forget to order a care package for your camper, if you haven't already!
www.camplonghorn.com/meritstore

It's our 9th year at C3! Can you believe it? This summer we will have our first generation of ninth year campers earning their 9-year rings!

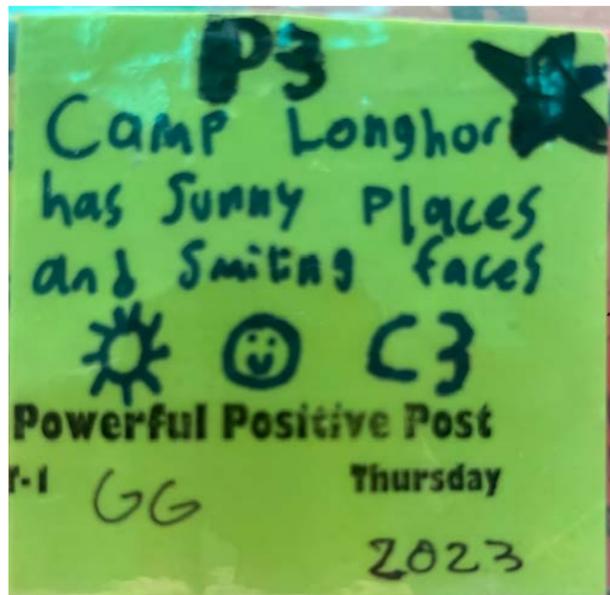

**CLASP
Corner**

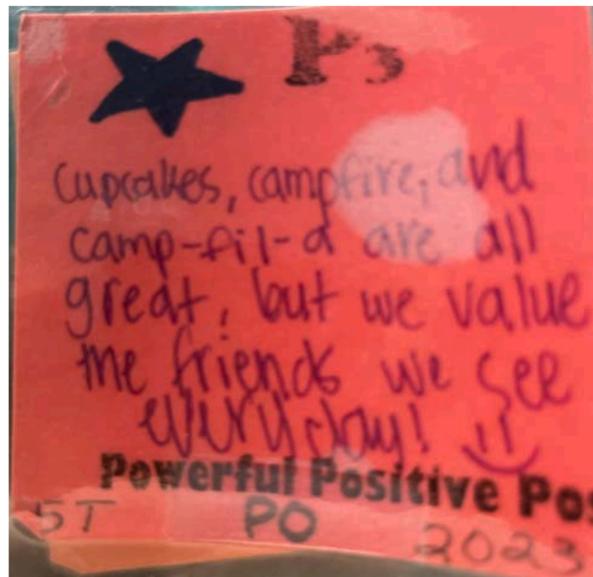

Bricks, Bricks, and more Bricks!
 Thank you! Thank you! Thank you! CLASP had a record number of bricks purchased for our "Forever Walkways" at Inks Lake and Indian Springs. Don't forget to look for your brick when you are visiting us on V-Day! And for our members, we're working on the new CLASP web program that will allow current members to log in to see their membership status and access their V-Day Parking Passes! Looking forward to seeing you all this summer!
