# From the Girls Camp

I would like to extend a huge ATTAWAYTOGO to our campers and amazing staff for an incredible summer! The C3 Girls Camp welcomed 1,134 campers this summer and we are proud to say that 97% of those campers have submitted their Early Birds and are returning for Summer 2027! Tex would always say, we don't want a camper for a year, we want them for a lifetime. Our retention is very important to us and we are proud to have so many of you back!! We are also excited for placement season and are eager to welcome some new faces to camp this summer! We will continue to place in open spots throughout this year and into the Spring of '27.

As Camp Longhorn heads into our 88th summer, it is always inspiring to think of our humble beginnings. Camp Longhorn opened the Inks Lake boys camp in 1939 with one and a half campers (one paying and one volunteer) and seventeen counselors, all being Tex's University of Texas swim team. By the time Camp was three years old, we had thirty-five campers and then fifty-five in 1943. In the summer of 1950, Pat had an idea to add a Girls Camp to Inks Lake.
By 1952, CLH had over 35 girl campers and twelve female counselors (see photo from 1950's Girls Camp.) Each term, when we do Big Lil Sis in the girls camp, we talk about the beginnings of camp and Pat's idea to start a girls camp. We are thankful this tradition started and we celebrate the special bond our girl campers make with their cabinmates each summer. I have attached a couple of special photos from Big-Lil-Sis this summer!

Eighty-eight years later, Camp Longhorn has expanded to three camps and over 6,000 campers. It is difficult to imagine the early days, but the gratefulness we feel for Tex and Pat and their incredible vision lives with us every day. Their impact is embedded in every activity, tradition, and generation of campers that grace our shores.

I would like to offer a huge "THANK YOU" to our staff of counselors this summer! We are blessed with the world's BEST counselors! Thank you to all of our counselors who have already signed back up for 2027! I have attached a great photo of our 5th Term C3 staff from this past summer!
There are many fun fall happenings around Camp! We are building cabins, delivering and mailing annuals, and about to start our Carnival Tour! We look forward to seeing all of our returning and new campers, waiting list campers, prospective families, and summer staff at one of our over forty Carnivals all across the US! C3 YOU SOON!

Attawaytogo,
Stacy

# From the Boys Camp

Every summer, camp is filled with big moments like Carnival Night, Dance Night, Campfire, Fun Day, the traditions, and all the things we look forward to throughout the year. But when I look back on Summer 2026, I'm reminded that some of the best parts of camp are the moments that never make the brochure.

Recently, a dad reached out to share what Camp Longhorn has meant to his son and their family over the past four years. When his son first started coming to camp, much of what he would experience was completely new and outside his comfort zone. His dad remembers wondering whether camp would be the right fit. Fast forward to picking him up after his very first week, and there he was, shirtless with a snake wrapped around his neck! His dad said he never could have imagined that sight when they first dropped him off.

Beyond the funny memory, what really stood out was his dad's pride in watching his son embrace new challenges, grow in confidence, and become more willing to step outside his comfort zone. He shared how much he believes Camp Longhorn has contributed to his son's development and how camp has become something his son genuinely looks forward to every summer.

One of the most rewarding moments for me is the final interview we do with each Ranger before they are hired to be a Jr. Counselor. We ask questions that challenge them to reflect on their journey at Camp Longhorn, how they have grown, and what they have learned along the way. Hearing their answers and seeing how far they've come is incredibly rewarding. It's one of those moments I wish every parent could be there to experience.

These two examples are the kind of impacts you won't find in a brochure. It's the conversations in the cabin, the counselor who goes out of his way to help a camper, the camper who discovers they are capable of more than they thought. It's friendships that help a camper feel like he/she belongs. We may not even realize the difference we're making at the time, but sometimes a message from a parent or a final interview with a Ranger that reminds us just how much those moments matter.

I'm thankful for the campers who make Longhorn what it is and the counselors who pour so much into making it special. Having so many great counselors return year after year allows us to build on those relationships, traditions, and experiences that make camp feel like home.

## Cecilia's Chatter

Greetings to all our wonderful campers! We had a MARVELOUS summer, and I cannot believe it is already November!!! Hope school is going well and that you all are remembering to submit your monthly Merit Questions! Those merits add up, you know!

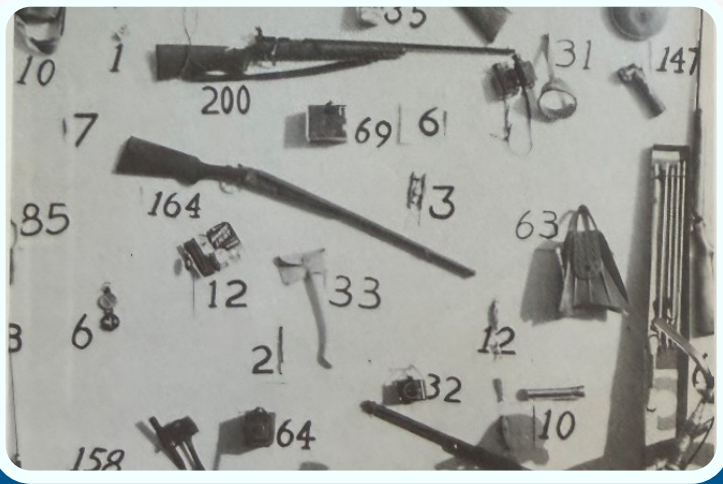

In case you don't know what Merit Questions are, there is a Merit Question tab on our website that has 10 relatively simple questions that campers can answer and have the chance to make 20 merits each month from Sep-May (that is up to 180 merits they could bring to camp!). I've learned a lot from them!

If you do not know by now, I have handed the job of grading the monthly Merit Questions over to Mrs. Taylor Bull Markwardt, our lovely Merit Store Director. She was a CLH-Indian Springs camper for 6 years and counselor for 8 years. She taught 5th-8th grade in Lubbock & Austin and started coming back to CLH-C3 to help us out since our 2016 inception & has been with us since. She is now our Merit Store Director and has made Burnet her permanent home with her husband and 2 kids. Grading Merit Questions is right up her alley! She has many artistic talents (her merit question reward postcards are lovely) and now she gets to enjoy hearing from you all—comments made, jokes told, pictures drawn, facts researched in detail, etc. Attawaytoresearch!

# Did You Know?

Our very first Merit Store used to be a cardboard box with all items for sale displayed on it (e.g., sports supplies, flashlights, canteens).

Camp saw how well the merit reward system was working so they elevated the store by making the board bigger & having more alluring prizes (check out the big-ticket bicycle!).

Later a small wooden cabin became the Merit Store, along with an army surplus trailer to house supplies.

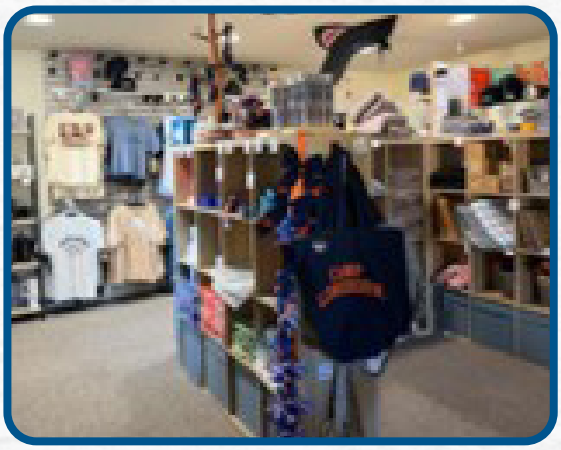

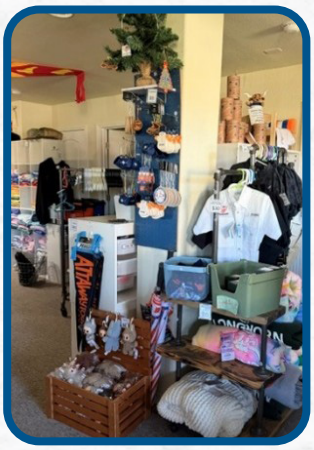

It wasn't until the 1950's that an actual Merit Store was built at CLH-Inks Lake. When CLH-Indian Springs first opened (1975), they had to bus over their campers so they could come shopping at the CLH-Inks Lake Merit Store (love the suitcase set & tennis racquet!).

Today's World's Greatest (and Only) Merit Store is a huge part of Camp Longhorn's success and has come a long way! The Merit Store Directors from all 3 camps work very hard to keep inventory trendy, fun, & fitting for camp, as well as create new artwork each year. Attawaytosave!!!

# A NOTE FROM YOUR MERIT STORE DIRECTOR:

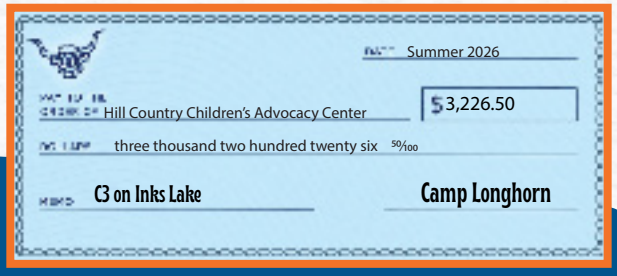

**Camp Families,**
What a joy it has been to see so many familiar faces and welcome so many excited campers into the Merit Store this summer! Getting to be a small part of your campers' summer memories is one of the best parts of what we do, and we are so grateful for each of you.

And, of course, we have to talk about the NeeDoh craze! It was definitely a real thing this summer! Your excitement makes the Merit Store such a fun and memorable place to be!

As we look ahead to future summers and our next trips to Market, we would love to hear from you! If you ever have suggestions for items you would like to see in the Merit Store, please don't hesitate to reach out. We love hearing directly from our campers about what they're excited about and what we should keep an eye out for as we shop. You never know what great idea might make its way onto our shelves!

Thank you for being part of the Camp Longhorn family and for making another summer so special. We feel incredibly lucky to share in these memories with your campers and look forward to seeing you again soon!

From the bottom of our hearts, thank you for your generosity and camp spirit. At Camp Longhorn, we believe in more than just fun — we believe in community, compassion, and stepping up for others. Because of you, we're able to send another check from camp to support a cause that we believe in. We are so proud of our camp family for showing what it truly means to treat everybody like they are somebody!
