Did you Know?

Lots of campers and counselors have asked what it means to “pass a bar” at CLH...In the early years of camp, when there were fewer campers and plenty of creativity, Bob Tarlton introduced one of the most unique motivational traditions. Right where Founders Pavilion stands today (yes—that's why it's called that!), there was once a working foundry.

At this foundry, campers could create brass bars stamped with the activities they excelled in. It became a fun and meaningful way to recognize achievements, as campers built their own personalized plaques over time.

So, when someone asks, “Did you pass your bar?” or you see an activity circled on a plaque... now you know the story behind it.

Did you Know?

The merit system at CLH has roots going all the way back to World War II. After Tex and the camp's founders completed their military service, they brought a similar system to camp as a way to instill discipline and motivate campers. In those early years, merits looked a little different than they do today. Campers were given five demerit pins—simple laundry pins with a hole in them—each labeled with their cabin name and number. Just like today, campers would check their merits each morning, hoping to save enough to spend at the one (and only!) Merit Store.

Over time, the system evolved. The plastic merits we use today were introduced in the early 1970s. You'll still see special variations too—green merits for Frog Day, blue for CLASP members, and even the occasional gold and silver from milestone anniversary years at CLH.

Even earlier than the pins, some of the very first paper merits were round cardboard tokens—repurposed from milk bottle seals! These were printed by a camper's

parent, handed out during camp carnivals, and redeemed each summer.

Did you know?

Those funny Road signs coming into camp are the brainchild of Wally Pryor. Wally was an All-American swimmer on Tex's UT swim team and a counselor for many years. His mother helped start the Girls Camp in 1950 which Mary's Cabin is named after. The road was not always nice and paved as it is today. Wally felt that adding a little humor to the drive into camp would alleviate the stress of dodging potholes along the way! **Do you have any suggestions for a road sign?** Camp signs come from camp minds - submit your sign idea to your director for some merits and if selected for the Camp Road receive a 20-merit reward!!

ATTAWAYTOGO!

Nothing says “camp is just around the corner” quite like the bluebonnets blooming across Central Texas! The warmer weather has everyone at CLH in full summer spirit, and camp will be here before you know it. We’re so excited to welcome you as we celebrate our 87th summer of fun in the sun & we can’t wait for campers, counselors, and families to make their way down Intercamp 39!

This spring rainbow at the base of Church Mountain, captured by a kind neighbor, feels like a little bit of camp magic - the pot of merits at the end sure to make someone’s day. Church Mountain has long been a favorite spot for alumni and campers alike. It’s a place to return, reflect, and take in the beauty of it all.

Here’s to the memories waiting to be made and the friendships just beginning. Summer can’t come soon enough!

We are so blessed to have more than 96% of our campers returning and we look forward to welcoming all the new fun and friendly faces. There still may be a few places available this summer at Inks Lake or one of our other two locations. If you have any Camper or Counselor prospects, please encourage them to contact us. In addition to the [CAMP MOVIE](#) played at the carnivals, a fun tribute to our counselors is posted [HERE](#). We can’t thank you enough for your trust in CLH and we are looking forward to another wonderful season at camp Longhorn!!

RAMBLING RANGERS 2026

With SIX trips planned to the Colorado Rockies (Inks, Springs & C3) the Rangers get to experience white-water rafting on the Arkansas River, rock climbing in 11-Mile Canyon, hiking the Great Sand Dunes and camping under the stars, all while learning the tools & skills to help them become the leaders of tomorrow! In addition, Rangers will get the chance to cross the Royal Gorge Bridge near Cañon City, CO and see the Cliff Palace cliff dwellings in Mesa Verde National Park.

The Rangers from C3's 2nd, 3rd, 4th & 6th Terms take the Texas-Based Ranger Trip through the Texas Hill Country where they are given the unique opportunity to raft the Guadalupe River, go zip-lining, swim at Blue Hole in Wimberley, TX and visit the Meadows Center on Spring Lake in San Marcos, TX!

A special thanks goes out to ALL our Ranger counselors and Staff who have helped guide these young men down the path towards success. We hope that all the Rangers who earned their Early Bird last summer decide to put their newly-acquired leadership skills to good use and return this summer and continue making Camp Longhorn a home away from home!

Looking forward to another amazing summer full of adventures! Please contact Ross Oliver if you have any questions.
