RAFTING WAIVER & FISHING LICENSE

For your son to participate in the rafting portion of the Ranger trip, you will need to sign a waiver. A link to the American Adventure Expeditions (AAE) website will be sent to you by email with instructions for completion of the online rafting

waiver. Expect to receive this email from Patrick Robertson (Ranger Director) in mid-April.

We would like all waivers to be turned in no later than June 1st.

Those Rangers who wish to fish and will be 16 years old at the time of the trip will need to purchase a fishing license. The Colorado state fishing license information will also be sent via email. Again, look out for an email from Patrick Robertson in late Spring.
