

Ranger Review

Camp Longhorn Rangers

Inks Lake, Indian Springs & C3

Rangers are on the road again in 2023! Here's a summary of a few of the places and activities the Rangers will get to experience!

Capulin Volcano National Monument:

20 miles outside of Raton, New Mexico near the Colorado border, Mt. Capulin is a cinder cone of an extinct volcano.

Pike National Forest: Near Lake George Colorado, this campsite offers a lot of fun recreational opportunities for our Rangers. Hiking, rock climbing and trout fishing can be done with the picturesque Rocky Mountains in the background.

recreational opportunities for our Rangers. Hiking, rock climbing and trout fishing can be done with the picturesque Rocky Mountains in the background.

Arkansas River Rafting: Putting in at beautiful Buena Vista Colorado, American Adventure Expeditions will guide our Rangers through whitewater rapids, reinforcing the importance of teamwork along the way.

The Great Sand Dunes National Park:

Located outside of Alamosa, Colorado, Rangers will enjoy the unique sight of massive dunes of sand next to the Sangre de Cristo mountains. They will sand surf, climb and explore the dunes.

La Manga Pass:

Over 10,000 feet in elevation, La Manga is located along Highway 17, near the border of Colorado and New Mexico.

Santa Fe, New Mexico: Rangers will have the chance to shop in the historic plaza as well as have one last night in the mountains.

Big Sky Drive In (Midland): Rangers will stay here on the last night of the trip, getting to watch movies and sleep out under the west Texas stars before heading back to CLH!
