'ATTAWAYTOGO' INDIAN SPRINGS RECIPIENT

Our newest CLASP inductee will be celebrated with a tree ceremony this summer.

Congratulations to the newest inductee into the CLASP Tree of Honor, Bradley Boyce. Bradley will be honored with his special tree this summer which will be his 22nd year at Camp Longhorn Indian Springs.

He started his Camp Career 2nd term 2002 as a Roadrunner returning every year through his Ranger year. He was honored as Campfire Lighter twice in those years.

Bradley's 16 years as a counselor, staff, division head and director were truly impressive! He won favorite counselor, was the horseback director for many summers, was a division head many terms and is now the program director for the boys camp. His leadership and example are truly a blessing for all!

Bradley just does it all and always with a smile and that ATTAWAYTOGO spirit! Bradley, we are all so very proud of you!!!!

CONGRATULATIONS! BRADLEY BOYCE

Trying to articulate the camp experience is the hardest thing any of us ever tries to do. We are simultaneously speechless and unable to stop talking about it. I never anticipated the trajectory my life would take simply because I said yes to summer camp in 2002. I've made some of the greatest friends, had some of the most memorable moments, and learned powerful lessons. It wasn't until this past summer that I really started thinking about the invisible string that has tied me to camp since 2002, but I haven't been able to get it off my mind ever since.

The story of how I ended up at CLH is a random one. My mother grew up knowing people who attended and always wanted to go, but her family couldn't afford it. When my sister and I got older, she decided to send us in her place. Originally, we were signed up for 1st term Inks Lake but ended up on a wait list. Then, in early 2002, David Bennett called with two spots at 2nd term Indian Springs, if we were interested. Intent on going, we jumped at the opportunity. So, David mailed us a VHS copy of the camp movie, we wrote a letter explaining why we wanted to go, then we had a quick phone interview and the rest is history.

2nd Term 2002 (Roadrunner cabin) was my first summer at camp, and if you were there, you know...we got 22" of rain over 15 days. Barely any time in the lake, Mile Swim in the pool, Hoss Show on broomstick, and a

"drive-thru" V-Day—it was less than an ideal term for anyone. And yet, I was struck by the magic of camp and signed up the second my early bird came in. I continued to return to 2nd Term Indian Springs for 5 additional summers as a camper until my term as a Ranger in 2007 which, poetically, is also remembered for its insane flood.

Early on, I knew I wanted to be a counselor. The counselors were always the most memorable part of my camp experience. We all remember thinking they were the coolest, most interesting people ever (which, truthfully, they were). I started my counselor journey as a 2nd term Hawk in 2008—the first of many terms in that cabin. I slowly started branching out into other terms until I was doing all 4, year after year. Early on I took an interest in Hoss, and was eventually given the opportunity to be the Hoss director beginning in 2011, and I continued doing it for many years. Getting the chance to work with Randy Shelburn for over 20 terms was one of the most fun experiences I've had. On paper, he and I couldn't be more different, but our senses of humor meshed perfectly and I enjoyed every minute of the time we spent on the trails, in the arena, and around camp. Eventually, the pull of boys' camp got me and I was able to be a general, a Wrangler counselor, go on a Ranger trip, and work as a division head for multiple terms. Leaving the corral after so long was difficult at first, but getting more involved in boys' camp allowed me to build new connections with people and strengthen existing ones.

I graduated from Texas Tech University in May 2014. Originally, I was working towards a degree in chemical engineering (and a minor in English), but, during my senior year, I realized how little fulfillment I was getting from that career path. Rather than starting from scratch, I graduated as planned and returned to camp for the summer. Knowing how much I loved working with kids, I began exploring the idea of teaching. After summer, I returned home to Midland, Texas, and began substituting at different schools to find the right fit for me. At the end of summer 2015, I reached out to the principal of Midland High School offering to substitute in one of their math, science, or English vacancies until I got certified—I had an interview the Monday after 4th term ended, and a job offer on Tuesday to be a 12th grade English teacher. I am currently

in my 10th school year with MHS, teaching 12th graders and, now, running the English department.

When I started camp back in 2002, I never could've anticipated where it would take me. I knew early on that I wanted to continue coming back as long as possible, but I never dreamed it would be something that I would still be so involved in after 23 summers. My sister and I started in 2002, but I was the only one who continued on the next year. I had two brothers, Britton and Brylee, born in 2003 and 2006, respectively (the latter while I was at camp as a Wrangler camper). My mom always said I had to keep coming back until Britton started camp so I could be there to check up on him. Britton was a 1st term Rattlesnake Up in 2012. It was an easy promise to make, but I "knew" I would never see Brylee as a camper in 2015. Luckily, I was fortunate enough to not only see both of them through all 9 summers, but I was able to work with Britton during his 2 summers as a counselor.

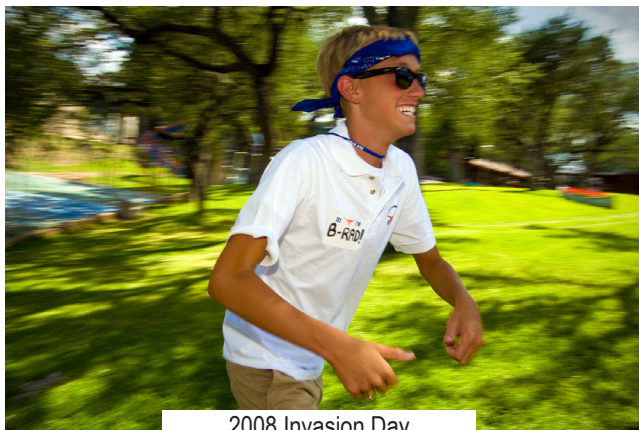

The invisible string that connected me to camp beginning in 2002 isn't a single, uninterrupted connection, but rather one with countless branches tying all of us together. Everyone who feels deeply connected to camp is on the same string, whether we know one another or not. It all started when Tex had the idea for Camp Longhorn all those years ago, which set off a chain of events that led each of us to the place we are today. Somehow, we all find ourselves connected to the string thanks to someone else, and we unknowingly tie it to those we find along the way. It's something that I think happens the moment you truly embrace the magic of camp. Then, once you share that magic with someone else, you extend the string. I will be forever grateful for the relationships I have had the opportunity of building at camp, and the ways you've changed me for the better. While I could never name everyone who has shaped me into the person I am today, I do want to mention a few:

To Norris, Keri, Karli, and Zac: Thank you for bringing so much love and laughter into my summers. There is no other group of people I would like to spend my summers with more!

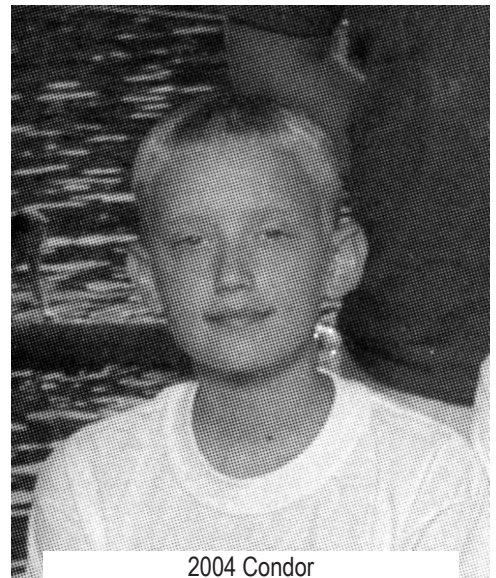

To Mark: Thank you for showing me what it means to be part of something so much bigger than myself. Getting to work alongside you has been one of the most rewarding experiences of my life. You have the biggest heart, and you've taught me so much about what it means to be a good leader and a good person. I continue to look forward to every summer!

To Nan and Bobby: Thank you for all of the love and trust you have shown me over the years. You have opened your hearts and home to me in so many ways, and getting to be a part of camp is the greatest joy of my life. I will be forever grateful for everything you've done for me over the years.

As Nan says: camp isn't for a term, it's for a lifetime. I cannot properly convey how truly impactful camp has been for me growing up and as an adult, but I implore everyone to take time to reflect on all the little moments and happy accidents that led us all to this magical place. Even when life gets tough, whether it's summer or not, it's important to remember there's a little slice of heaven on Earth in the hill country. To an outside observer, it may just be some buildings, a spring, some grass, and activities, but, to all of us, it's HOME.

In Loving Memory...

ELEANOR MERRILL SHAW CLAIBORNE

February 18, 1976 - September 29, 2024

ELEANOR Shaw Claiborne died Sunday, September 29, 2024 under the extraordinary care of dedicated health care providers at MD Anderson. She was lovingly surrounded by family and friends as we tearfully said, "Good bye," and leagues of angels said, "Hello."

ELEANOR is survived by her parents: Mike and Nancy Shaw, son: Graham Claiborne, brothers: Michael (Suzanne) and Rob (Stephanie), niece: Isabel, nephews: Michael, Oliver and Tobin, aunts, uncles, cousins and so many different communities of friends. She was preceded in death by her grandparents Robert and Eva Shaw and Edward and Bebe James.

ELEANOR was a camper and counselor at Camp Longhorn Inks Lake from 1986 - 1998.

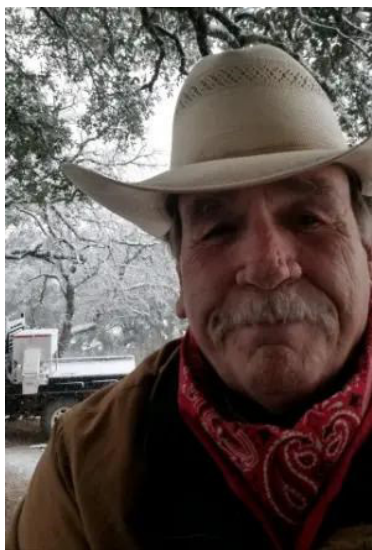

ELEANOR attended high school at St. John's Houston- graduating in 1994. Following in her father's footsteps, ELEANOR officially became a proud Fightin' Texas Aggie; she graduated from the Mays Business School, with honors in 1998. She later graduated the University of Texas where she earned a Masters in Business. ELEANOR worked in Austin at Dell for

several years. Her next stop was Denver as she accepted a job with Chef America. It was there that she put her marketing skills to use; she was instrumental in designing the packaging for Lean Hot Pockets.

ELEANOR was diagnosed with metastatic melanoma in 2020. Her beloved partner in life, Mitch Pendarvis, was her refuge, nurse and comfort throughout. ELEANOR faced cancer head on, accepted treatment, and was resolved to a healthy body, mind and spirit. For three years her body showed no signs of cancer; ELEANOR dug deep into healing and even served as a board member for MD Anderson Cancer Center. Cancer reminded her that life was fragile, but she maintained a tenacious grip. She intentionally sought out the people she loved, often sat before the healing power of crashing waves, forged and fought for familial tradition, chased the pink moments of sunrises and sunsets, and always planned the next adventure. ELEANOR is now on an eternal adventure of discovery, in deep relationship with her Creator, making lists and big plans for our holy reunion.

RANCE BELL

June 11, 1953 - July 30, 2024

RANCE CARLETON BELL, a man who lived a life as vibrant and enduring as the Texas sunsets he so loved, passed away on July 30, 2024, in Llano, TX, after a brave battle with cancer. RANCE was the kind of man who could fix a tractor with a paperclip and a smile.

RANCE'S laughter echoed through the halls of Llano High School and later bounded off the walls at San Angelo State University. He was a man who never met a machine he couldn't make better or a song he couldn't play on his trusty guitar. After honing his skills at school, he went on to become the Head of Maintenance at Camp Longhorn, where his knack for fixing and improving was as legendary as his tall tales.

When he wasn't ensuring everything at Camp Longhorn was in shipshape, RANCE could be found tending to his farming and ranching duties, building something sturdy in construction, or brainstorming his next big invention. Yet, it wasn't all work for RANCE. He was an outdoorsman at heart, with hunting and fishing being the pastimes he cherished most, second only to strumming his guitar, singing with a voice that could soothe the restless cattle, and writing songs that told stories of life's simple pleasures and his love for the Lone Star State.

RANCE's steps were often accompanied by a tune, and he loved to go dancing. His passion for life wasn't just seen in his hobbies but also in the way he watched old westerns, as if he was learning tips for his next adventure, or when he was cooking meat at gatherings, his barbecue skills almost as famous as his sense of humor.

Speaking of humor, RANCE was as funny as he was creative and handy. He had a joke for every occasion and a knack for making even the toughest of days seem brighter with his quick wit and infectious laugh. His creativity wasn't just evident in his jokes but also in the way he approached life, always finding a way to make the ordinary extraordinary.

RANCE leaves behind a legacy of laughter and love, survived by his sister Cheryl Bell Dillon, brother-in-law Larry Dillon, niece Kit Peltier and family, niece Bailey Drewek and family, his ex-wife Molly Bell and family, and his much loved cousin Dennis Raesener and family. Each of them carries a piece of RANCE's indomitable spirit, his zest for life, and, of course, a few of his funniest jokes.

RANCE'S life was a testament to the power of laughter, the strength of creativity, and the value of being handy with both tools and tales. He was a man who lived life to the fullest, loved with all his heart, and always left people smiling. The world may be a little quieter without RANCE's laughter and guitar playing, but his melody will resonate in the hearts of those who knew him for generations to come. Rest in peace, RANCE; the dance floor of heaven has gained a spirited new leader.

ROBERT “BOB” MAXFIELD

1941-2024

Robert Roy Maxfield passed away unexpectedly on August 13th, 2024 at the age of 82 during his morning walk. He was doing what he enjoyed at the Texas lake he loved, but oh, he will be missed!

BOB grew up in Wichita Falls, Texas, and was interested in technology and science. He earned a degree in Electrical Engineering at Rice University and a PhD EE from Stanford University. In 1969, he and three other Rice alums (Ken Oshman, Walter Loewenstern, Gene Richardson) co-founded ROLM Corporation in Silicon Valley.

BOB was a life-long athlete, especially favoring water sports. He was a Texas State Champion swimmer in high-school and continued swimming throughout his life. He loved paddle boarding, sailing, and even recently mastering the E Foil. His love of Scuba diving took him around the world, logging over a thousand dives. He was also a graceful, accomplished snow and water skier.

A generous philanthropist, he supported Rice University, Openstax, the Santa Fe Institute, Stanford University, the Computer History Museum, the Tech Museum, the Montalvo Arts Center and Lucile Packard Children's Hospital and many more. His youngest daughter's death from leukemia at age of 14 motivated him to spearhead the development of the National Bone Marrow Donor Registry.

BOB was adored by his family. He is survived by his wife, KATHIE, of 34 years, his oldest daughter, MELINDA, his son-in-law, DAVID HATCHETT and their 2 daughters, MARY JANE & ROWAN HATCHETT, along with his brother, sister and their families.

To honor BOB, please consider supporting OpenStax, the Santa Fe Institute or the Lucile Packard Foundation for Children's Health, citing "In honor of BOB Maxfield".

EMMA fought valiantly against metastatic breast cancer. Throughout her battle, EMMA ensured her daughter, GRACEYN, knew how much EMMA loved her. EMMA'S spirit will continue to watch over GRACEYN, guiding and protecting her throughout life.

EMMA was a Burnet High School graduate and worked at Camp Longhorn Indian Springs for several years as a counselor and in the office between 2009-2023.

EMMA is survived by her mother, JULIE WILBECK, stepfather, SCOTT WILBECK, whom she grew close and considered a dad. She is also survived by her father, TIMOTHY PARKER. EMMA was a sister to MADELINE PARKER, JOSEPH PARKE, and EDWARD PARKER, and a granddaughter to CAROLYN FRANK and DOLORES WILBECK. Welcoming her in heaven are her beloved grandparents, Dr. EDWARD and KATHLEEN PARKER, and BENHART FRANK, and her Uncle ALAN MALINAK.

RAMBLING RANGERS 2024

The summer of 2024 was phenomenal for the Longhorn Rangers! With SEVEN trips to the Colorado Rockies (Inks, Springs & C3) the Rangers experienced whitewater rafting down the Arkansas River, rock climbing in 11-Mile Canyon, hiking the Great Sand Dunes and camping under the stars, all while learning tools that help them become the leaders of tomorrow! The Rangers from C3's 2nd, 3rd, 4th & 6th Terms also participate their own Texas-based Ranger Trip through the Texas Hill Country and are given the unique opportunity to raft the Guadalupe River, go zip-lining in Wimberley, TX and visit the Meadows Center on Spring Lake in San Marcos, TX!

The 2025 Longhorn Ranger Program will see the addition of several NEW destinations including visiting the Royal Gorge Bridge near Canon City, CO and Mesa Verde National Park outside of Durango, CO just to name a few!

A special thanks goes out to all our Ranger Counselors and Ranger Staff who helped guide these young men down the path towards success this summer. We hope that all the Rangers who earned their Early Bird last summer decide to put their newly-acquired leadership skills to good use and return next summer and continue making Camp Longhorn a home away from home! Please contact Ross Oliver, Ranger Director, if you have any questions . . .
