# **ATTAWAYTOGO AWARD**

## **CONGRATULATIONS BARNEY BAKER! 68 years and counting . . .**

Our newest CLASP inductee will be celebrated with a tree ceremony this summer.

Barney ...

Now some notes from Barney . . .

Barney graduated from Burnet High School in May of 1955. In order to save up money for college, he took a summer job working for his uncle, L.T. Barnett, at Camp Longhorn in the Chow Hall.

He graduated from Abilene Christian College in 1959 with a Bachelor's in Chemistry. Because jobs in the chemistry field weren't available at that time, Barney worked summers in the Chow Hall and the rest of the year at home on the Baker Ranch located at the northeastern corner of Lake Buchanan. After the summer of 1962, he began working for CLH year around. His summers were still spent working in the Chow Hall from morning to night, and during the winter and spring months, he worked alongside Bob Tarlton and Zark Withers, learning how to weld, build, and in general, anything and everything that needed to be built or repaired at Camp. He credits and appreciates Bob and Zark for the knowledge and skills they taught him, many of these skills still in use today.

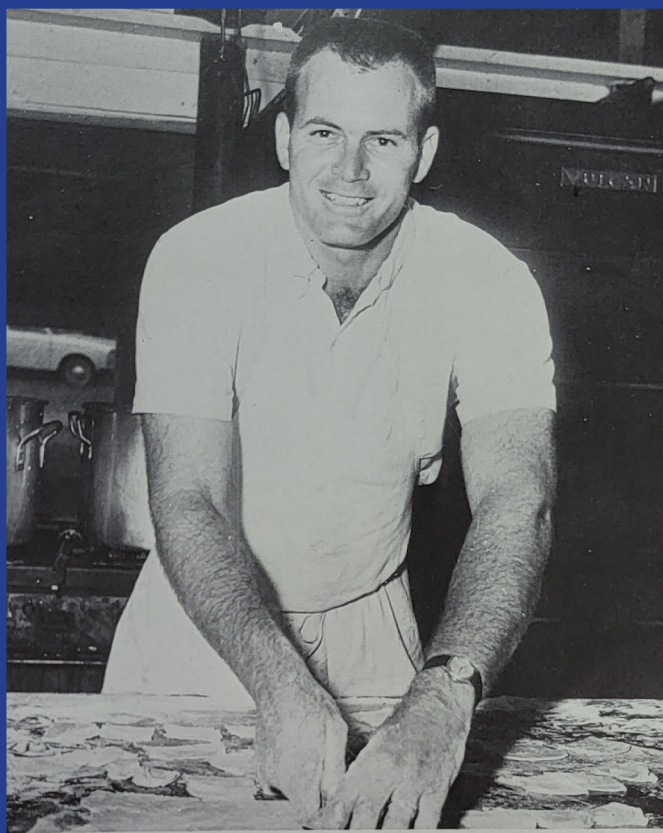

In 1962, Barney met and fell in love with La Dawn Harlow from Llano, TX. They married in December of 1964 and had two children, Kevin and Kim, in the following years. While still working at Camp during the days and on his family ranch in the evenings and weekends, he and La Dawn decided to buy their family ranch and began their own ranching business in both Burnet and Llano counties.

In 1971, L.T. retired from Camp and Barney inherited the management of the Chow Hall. Through the years, Barney's two children, Kevin and Kim, attended camp at the newly opened Indian Springs and later Inks Lake. In family tradition, Kim later began working for Barney in the Chow Hall and continues working with him today.

During his 68 years at Camp, he has been involved in many, many projects. He worked alongside others repairing and building cabins, the famous but retired Super Slide, the dams and lake at Indian Springs, the trolley and blob towers, the swimming pools and the Lazy Rivers at all 3 camps, roads and walkways, the floating bus, and much, much more.

He is proud to have served and been a part of several country and community organizations such as the United States National Guard for 6 years, 6 months active duty in the 2nd Armored Division, serving on the Burnet CISD school board for 18 years and as President for 14 years, serving on the Burnet Farm Bureau board for 45 years and as President for 18 years, serving on the board of the Texas Land Bank of Waco for 35 years and as Chairman for 13 years and the Kiwanis Club for 25 years.

During his many travels serving these organizations, he met people from all over the country. Some of his favorite stories about his travels have the same theme. He was once in Charleston, South Carolina, taking a tour with his wife La Dawn and when he was asked where he was from, he answered, "Burnet, TX". Someone in the group asked him if he knew anyone from Camp Longhorn! He's always happy to say, "Yes, yes I do!", and enjoys telling them all about his Camp years, happy and blessed to be working with THE BEST PEOPLE IN THE WORLD!

## A CAMP LONGHORN LEGEND, WILSON

(COZ, COZ) passed away peacefully in Dallas, TX due to complications from pneumonia on February 27th.

He started Camp as a 6 year old in Cabin 1 (There was no Cabin 0 then!), and through the years was a great Camper, Counselor, Staff Member, Mentor, Parent and Grandparent.

He spent 9 years at UT Austin and upon graduation, COZ obtained a D.D.S. and M.S.D.. degrees at Baylor College of Medicine and began a private pediatric practice in Tyler in 1967. He was honored with many, many rewards and recognitions along the way.

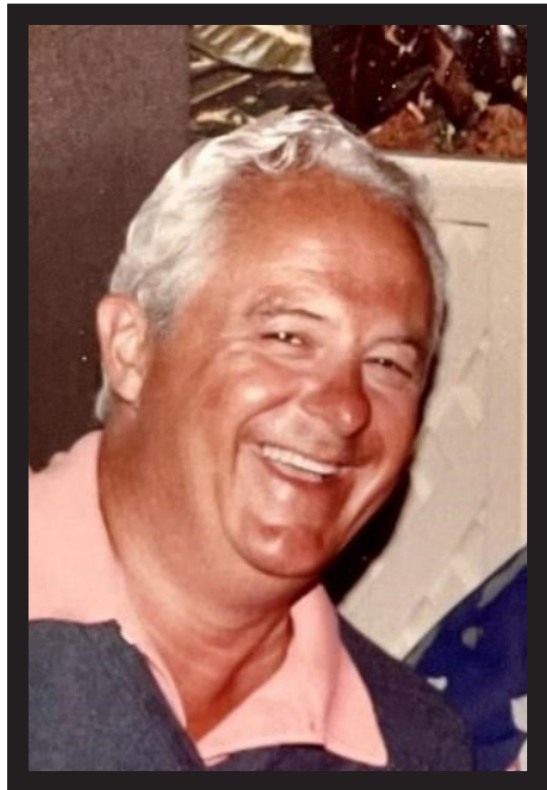

COZ had many passions. Most notably, he loved hunting and fishing, athletics, the University of Texas, and Camp Longhorn. During the course of his life, he hunted and fished all over the world. COZ completed 4 marathons including the New York Marathon which he completed alongside his daughter. He ran over one hundred triathlons and duathlons spanning over four decades. WILSON loved all things orange and for decades, loved not just Texas football, but men's and women's basketball, baseball, softball and volleyball games, swimming and track meets as well as tennis matches, many times going by himself, easily making new friends in the stands or at a tailgate.

COZ was married to DARLENE KIRKLEY and after dating her about 10 years, they married in 2004. In typical COZ fashion, he had to borrow the \$50 dollars needed to pay for the Justice of the Peace.

People didn't just like COZ, they LOVED him! Everyone benefited from his amazing energy and big personality . . he was the quintessential life of the party! He was fair, kind, generous, gregarious, fun, sentimental, caring, loyal to a fault,

and he treasured his friendships and family above all else. WILSON had a full life. He is survived by wife, DARLENE, and his three sons RAY and wife MARY ANN, CHRIS, DREW and wife BETH, and daughter, GLEITH and stepchildren, DENISE and wife FRANCES, JOHN and wife KRISTIN, and KK and husband RYAN, several grandchildren and one great grandchild! His four children and several grandchildren attend or have attended Camp.

WE ARE ALL GOING TO MISS YOU, WILSON . . .

ROBERT (BOB) BRIGGS HARP passed away on December 15, 2021, after a very short, yet brave fight, against cancer. BOB was a camper in 1952 and 1953, back in the days when you could buy a spear gun at the Merit Store. He and his wife of 54 years, KELLY, raised two long-time campers and counselors, CARRIE HARP FISHER and ROB HARP, and have 4 Longhorn Girl granddaughters: CARLISLE FISHER POWERLL, KELLY FISHER, HAZEL HARP and VIVI HARP. Since 1979, BOB and KELLY had never missed a Houston camp bus send-off.

# Deaths

TRAYLOR AZAR, age 15, passed away in January '22 following complications from heart surgery. He was affectionately known as T-man, a hardcore fan of all things football. He loved being manager of his Alamo Heights football team. Also, the Texas Longhorns were his favorite and he planned on attending UT after high school graduation. He loved having fun with his Camp Longhorn friends. T-man spent 9 years at Camp! He was dearly loved by his family, his friends, his coaches and teammates and will be missed by all who were blessed to know him. He is survived by his Mom and Dad, BEN and EMILY AZAR, sisters ZIZI and ABBEY AZAR.

ELLA DeYOUNG, passed away at the young age of 15 on January 24, 2022 in Richmond, TX. ELLA'S true love was learning about people and the human experience. Her wit, frankness and curiosity left an impression on everyone she met. An accomplished athlete, ELLA rose to extraordinary heights in competitive gymnastics. She excelled in many sports. She always wanted to make things right and enrich the lives of those closest to her. ELLA spent three years at Camp Longhorn Indian Springs . . . Her cabin mates and all of the Camp Family will miss her this coming summer. She is survived by her parents, SHANNON and JASON and her siblings, AVERY and VON.

**ROBIN HECHT DEUTSCH**  
1966 - 2022

ROBIN passed away February 8, 2022 in Houston at the age of 56. She was almost unselfish to a fault. If she committed to something, she gave her all whether it was fundraising, building a business, or listening and advising her kids. ROBIN was most proud of her three sons, ALEX, AARON, and ADAM, and kept a sign on her desk that said, "I am a Mom. What's your superpower?" She and LANCE DEUTSCH, her life partner and beloved husband, built a thriving business in Houston, Deutsch Fine Jewelry which came to be regarded as Houston's premier jewelry business. ROBIN grew up in Houston and graduated from the University of Arizona. She is survived by her husband, LANCE, her sons, ALEX, AARON and ADAM, her parents, PUNKIN and WALTER HECHT, her brother MARK HECHT, and MARCIA and RUSSELL DEUTSCH, LANCE'S parents. Her husband and all three boys attended Camp Longhorn.

SANDRA GARLAND CECIL, 1942 - 2022, passed away in Dallas, TX with her family lovingly by her side. She was an amazingly strong woman. But, she will be remembered mostly for her kindness, fun energy, and service to those in need. She was a great listener and possessed a great sense of empathy. SANDRA had many interests from her many rescue kittens to Highland Park Presbyterian Church or with the Salvation Army of North Texas Dallas Women's Auxiliary serving her community. She was involved with her book club programs and Bible studies with her friends. Mostly, she loved raising her three children and spending time with her husband, BOB. She is survived by her husband and their children, SCOTT and AMANDA . . . ASHLEY CECIL BULL and husband JONATHAN BULL, and BLAKE CECIL and wife MELINDA and grandchildren HUNTER, HANNAH, SAM, ROSALIE, QUINN, ROCKNEY, BLAKE and LUKE. She is also survived by her brother JACK GARLAND, Jr. Husband BOB, her three children and numerous grandchildren attend or have attended Camp Longhorn.

**ABBIE STONECYPHER MARSHALL WEDDING . .** She and her husband celebrated their 1st anniversary by actually having their wedding. This picture was taken 8-21-21 in Virginia Beach, VA. Picture (l-r) HANNA STONECYPHER, ELLIE KEELING FAULKNER, ABBIE STONECYPHER MARSHALL, KATIE RUSTMANN PERKINS, LEIGH ALEXANDER GIAMMARCO. All were campers, counselors, or both at CLH.

What a special wedding! Due to Covid-19, Dalton and Martha Jones Little married with just their family in attendance at Horseshoe Bay, July 11, 2020! The Camp Longhorn cookies (below) were a highlight at the family reception. Martha writes that they just had their wedding party a few weeks ago . . . 2 years later!! The ATTAWAY picture of DALTON and MARTHA was displayed in a blown up frame. They came to CLH, Inks Lake, for 8 years, 1st term, and I understand that more of the wedding party also came 1st term Inks Lake!  
That's a TRUE CLH Wedding!!

THE WEDDING PARTY . . back (l-r) KYLE BOATRIGHT, ZACH JONES, DALTON LITTLE, JC JONES, WALKER LITTLE front (l-r) ELLIE LITTLE, MARTHA LITTLE (JONES)

MATT & JESSICA McCOY . . . thanks for catching us up with RICHARD & M.C.!

Attawaytogo - Richard (9-26-18). Huge fan of all things outdoors, especially rifle shooting, riding on boats and swimming. MATT'S been working on his sailing skills...

MARY CATHERINE "M.C." (1-22-21). The happiest kiddo, especially when she's with her big brother. She's their social butterfly and is just the sweetest.

DO YOU HAVE A SHINY 9th YEAR RING?

CAMILLE HOLLAND, a camper and counselor at Inks Lake for many, many years (10) and summer of 2022 will be her 11th year at Inks Lake, shared this fun story with all of us! As her grandparents were packing up the house to move, they found CAMILLE'S father's 9th year ring from 35 years ago! Her father, WILL HOLLAND, attended Inks Lake for at least 9 years! They thought it was cool to see the difference between his ring and her ring that she got last year. On the left is her's and on the right is her father's ring (after quite a bit of cleaning and polishing!!)

Fun, cool story, CAMILLE . . thanks for sharing!

**STORY OF THE BLOB . . .**

This group of CLH exes . . . probably representing 70 years of Camp, are looking over to story of the “BLOB”, which is located in the gazebo at Inks Lake! Lots of wonderful memories in this group and we thank you, (l-r) ELLEN MATSON, SISSY PRESTON, ANJANETTE McCASLAND, DUDLEY McCALLA and SCOTT HENDRIX, for your wonderful camper/counselor years!

## **THE CLASP CLOWN**

A friend of mine has two tickets for the 2022 Super Bowl, 50 yard line box seats. He paid \$2,500 each, but he didn't realize last year when he bought them that it was going to be on the same day as his wedding. If you are interested, he is looking for someone to take his place . . . It's at St. Michaels Church at 3pm. The bride's name is Jenny. She's 5'5", about 125 lbs, and a good cook too. She'll be the one in the white dress.
